

# Az-Zahra Sunday Enrichment Program

---

## *Dear Students & Parents*

We would like to thank everyone who made this program a success last year. We are eager to continue building our program and investing in our children's education and upbringing through healthy Islamic education and social interaction.

Last year we successfully offered classes for children ranging 3yr to 14yr of age, and we also offered adult programs. The curriculum includes teachings in Fiqh, Aqaid, Akhlaq, Tarikh and concepts of Quran in our daily life.

We hope to see our existing students return for the new school year and are reaching out to all other new parents and children who would like to register for the 2018-2019 school year. Please invite anyone you know who could benefit from our program.

Please contact Sr. Zohra Hussaini or Br. Jameel Agha for information

### About New Website

The education committee has developed a website for parents and students to access information about classes, school news, school calendar, updates and important information including school closing.

Please be patient with us as we build this site.

Please visit the website for important updates:

## HIGHLIGHTS FROM LAST SCHOOL YEAR

### MUHARRAM PROJECT

Children learned about the struggles of Imam Hussain (AS) and his blessed family during the first 10 nights of Muharram with special arts, crafts and readings related to this tragic event. These 10 projects and 10 nights were spent preparing them for the remainder of the month of Muharram with a better understanding and connection to its significance.

### NEIGHBORHOOD GIFT GIVING

Children visited the non-Muslim neighbors of Az-Zahra center and went door to door distributing gifts during the holiday season, showing support in our community. If not brothers and sisters in faith, we are brothers and sisters in humanity!

### SPONSOR A REFUGEE FAMILY

Several members of our center participated in the sponsorship of Syrian Refugee families. Children were eager to give and share to those less fortunate and learned how grateful we are to our Creator for all that we have.

### IMAM ALI JEOPARDY COMPETITION

The hard work of our Volunteer Staff showed off in the Spring when students teamed up to compete for prizes during the month of Shaban and Rajab in celebration of Imam Ali (AS). Students studied hard and prizes were distributed to all participants.
